SAFETY CERTIFICATE

I had visited the BOHRA PUBLIC SCHOOL (RUN BY J.R. BOHRA CHARITABLE TRUST) situated at Chawla Colony, Ballabgarh, Faridabad dated 25/04/2022.

The front block consist of office block only on ground floor and is four storeyed building.

The back side block consist of Ground floor, first floor, second floor & is a three storeyed block.

The building is a R.C.C. Frame structure resting upon R.C.C. column & beams. All outer walls are 9" thick brick masonry wall, R.C.C. columns & beams.

The structural design has been checked & found to be in conformity with the N.B.C. & Indian standards code.

The bulding is structurally safe & sound as per today's physical condition.
